Function & Design

AIR MESH

- Ultra-lightweight, breathable air mesh material for maximum comfort
- With cooling effect: the harness cools when immersed in water, as the stored water between the fabrics works as a heat exchanger - ideal on warm summer days

COMFORT

- "3D Comfort Fit" for perfect adaptation to the dog's anatomy
- Choke-free neck design to avoid injuries to nerves and trachea
- Adjustable chest circumference for best fit
- Spinal protection: the carabiner does not hurt the dog
- Elastic buckle covers for more safety against unintentional opening
- Padded buckles as a protection against rubbing
- 2 leash fixation points, for guiding and for pulling
- Only 220 gr / 0.48 lb (Size XS), the best harness in terms of weight and function on the market
- Elastic straps for fixing lumi LED lights
- Neoprene padded handle to hold the dog close and to help to lift it up
- Wired seams for better form stability

curli SAFETY

- 360° reflective piping for extra safety in the dark
- DogFinder ID als Hilfe, um Ihren Hund wiederzufinden, falls er verloren gehen sollte
