

FACTSHEET

# Car Safety Belt V2

SAFETY IN THE CAR WHILE TRAVELING

The **Harness specialist**  
from Switzerland 

## Function & design

- Multiple uses with the seatbelt or with the isofix system
- Two length (max.): 30 cm / 11.8 inch and 60 cm / 23.6 inch
- Adjustable length for optimized range of movement
- Extra secure aluminum carabiner
- Lightweight, therefore not disturbing the dog
- Twist connection between carabiner and nylon strap for safety, even if the dog turns in different directions

**PLEASE NOTE:**

- Do not use with a collar!
- We recommend to never leave dogs unattended in the car.
